Spring Fever

This is the time of year to look out for trouble! We feel weak—our blood seems hot—no appetite—It's time to clean house! This is when the blood is clogged and we suffer from what is commonly called a cold.

Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eradicates the poisons that breed and feed disease. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Doctor Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood.

Take it as directed and it will search out impure and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels. The bad blood is driven out! It will furnish you with rich, pure blood full of vital force—the kind that increases energy and ambition, that rejuvenates the entire body.

All medicine dealers can supply you in either liquid or tablet form or send 10 cents for trial box of tablets to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y. Write for free booklet on blood.
